The Contractor Licensing Board discussed the nomination of a licensed contractor to replace Mr. Reneal Little on the board. After review of the list of licensed contractors, it was determined that approximately 85% of the contractors on the list would not be eligible to serve on the board. The ordinance states that the board should be composed of seven persons with a valid contractor's license in any discipline, one residential contractor, and one commercial contractor. The board decided that it may be necessary to change the bylaws to enable more contractors to be eligible to serve.

Lexie Horn made a motion to change the language of the ordinance to read: "the licensed contractor must own a residence or business within a ten-mile radius of Cleveland". Jason Harris seconded the motion. The vote in favor of the motion was unanimous.

Jamie Lee will amend the ordinance and present it to the board at the November meeting for approval.

As there was no further business, the meeting was adjourned.
